Relevant section of the RfA	Question submitted to UNCDF	UNCDF response
Application process	Can timelines for prospective applicants to submit their proposals be extended beyond March 9 th ?	No, timelines cannot be extended at this point. Applications need to be submitted latest 9 March 2022 (23:59 time EST).
	The instructions for submission state the requirement of a 30-page response and a 15-page slide deck. Please confirm if we must prepare both documents for the submission or if one of the two will suffice. What is UNCDF/Better than Cash's preference?	The application states that the total technical proposal pages should not exceed 30 pages, already including a slide deck of 15 slides maximum. The applicant can submit less if they are willing to do so but not more than 30 pages in total.
