

Gender, Age and Climate: Inclusive disaster risk financing solutions for women, youth, and elderly people in Pacific

11 Dec 2023

10:00 a.m. – 11:00 a.m.

Moana Blue Pacific Pavilion (Blue Zone)

Background

This session delves into the intersection of gender, age, disaster risk financing, and insurance, addressing the heightened vulnerability of women, youth, and elderly populations in the face of climate change and sharing the best practice examples from the Pacific.
